I. Purposes

The Committee on Student Communications (“CSC”) was established to review the operations of and advise student media groups at Georgia State University and to provide a means for due process with respect to these organizations and to elect media heads for each media group.

V. Policies

A. Authority

1. The CSC is authorized by the Vice President for Student Engagement and Programs to review operations and advise all campus media. In that capacity, the Committee as a whole or individual committee members may be called on to work directly with student media heads regarding operating guidelines for each media organization.

2. The CSC endorses and supports the authority of each media head to set and enforce operational policies, editorial policies and procedures for the disbursement of allocated funds for each particular media organization and for an additional central media fund as it sees fit. The CSC reserves the right to review and make recommendations regarding said policies.

3. The CSC fully subscribes to the tenets set forth in the US Constitution and the Bill of Rights with regard to freedom of speech and freedom of the press. While the CSC may be a forum for the discussion of issues relating to news and editorial content of student media organizations, the Committee neither seeks to recommend or advise media organizations regarding the content of published or broadcast material.

4. Album 88 is additionally governed by the laws of the Federal Communications Commission whereas i. Georgia State University is listed as licensee for WRAS-FM and all of its digital subchannels and, ii. whereas WRAS-FM and its subchannels are additionally governed by the Federal Communications Commission and, iii. whereas Georgia State University entrusts management of Album 88 to supervise management of content for the purposes of airing on WRAS-FM and its subchannels, thus as a matter of policy the CSC upholds FCC regulations.
B. Appointment of Media Editors, Directors, General Managers and Staff

The CSC is authorized to seek applicants for and recommend the appointment of the General Manager of Album 88 by the Vice President for Student Engagement and Programs. All members of the CSC may participate in the interviewing of applicants and selection of a candidate to recommend for the position. For all other media organizations, the CSC is authorized to seek applicants for and to make final decisions concerning the appointment of Media Heads. For all media groups except Album 88, only Student members of CSC may deliberate and vote on what candidates should be appointed as Media Heads. University Staff and Faculty members of CSC may, however, participate in interview activities such as formulating standard interview questions and procedures. As a matter of policy, the CSC may give preference to applicants to these positions who have prior experience with the student media organization that they seek to manage. Once appointed, Media Heads select their respective staff members with no need for approval from the CSC.

If an incumbent is applying for a consecutive term in their position, then they may not be present during the interviews of their competitors nor may they vote on the appointment of the involved Media Head position.

Incumbents for Media Head positions are permitted to seek consecutive terms. The CSC will table applications from any candidates with 24 or more months served in their position. The CSC will only revisit such applications in the event it does not successfully recommend any remaining applicants.

C. Sanction of Media Editors, Directors, General Managers and Staff

All media editors, general managers and staff are required to comply with the laws, rules and regulations of the United States, State of Georgia, the Board of Regents of the University System of Georgia and Georgia State University. Violations of said laws, rules and regulations are prohibited and will subject the violator to sanctions which may include, but are not limited to, removal from the position of media head or staff member. See Georgia State University Student Code of Conduct [http://codeofconduct.gsu.edu/](http://codeofconduct.gsu.edu/).

1. The CSC is authorized by the Vice President for Student Engagement and Programs to hear and resolve grievances and disputes except for:

   - grievances and disputes concerning sanctions imposed in accordance with Paragraph V. C.
   - or the appointment of the General Manager of Album 88.
   - All matters that are governed by the Student Code of Conduct [http://codeofconduct.gsu.edu/](http://codeofconduct.gsu.edu/). All such grievances, disputes or references are immediately referred to the office of the Dean of Students.

   A reasonable effort to resolve the grievance or dispute must first be made with the
Media Head of the involved media group and if the dispute is not resolved at that level, then with the advisor of the respective media organization. If there is no satisfactory resolution of the grievance or dispute with the Media Head or the advisor, then a request may be made to the Chair of the CSC to convene a hearing on the matter. This request must be in writing, must specifically describe the nature of the grievance or dispute, must be signed by the individual or organizational representative bringing the grievance or dispute, and must be made within thirty (30) days of the incident out of which the grievance or dispute arises. A hearing by the CSC is not a matter of right, but it is within the sole discretion of the CSC. Thus, without granting a hearing, the CSC may, in its discretion, recommend that the decision of the media head and advisor be upheld. If a hearing is held by the CSC, a quorum of all voting Committee members, both student and faculty/staff alike, must be present of those CSC members eligible to participate in the hearing. Following the hearing, the CSC will forward a recommendation for final determination on the matter by the Vice President for Student Engagement and Programs. The Vice President for Student Engagement and Programs shall not be present nor vote during the CSC's hearing or review of grievances and disputes.

2. A member of the CSC who is a media head shall not participate in the process regarding a grievance or dispute related to their respective media organization including, but not limited, to the decision to hold a hearing and voting on any recommendations. However, the media head may, as stated above, initially attempt to resolve the grievance or dispute in conjunction with the respective Media advisor, may subsequently attempt to resolve the grievance or dispute at the direction of the CSC, and may respond to CSC inquires for information regarding the alleged grievance or dispute.

3. The CSC endorses the role of mediation as a first effort to resolve grievances and disputes between individuals concerning student media related matters.

VI. Due Process and Appeal Procedures

The CSC makes recommendations to the Vice President for Student Engagement and Programs for their final decision on all disciplinary matters the CSC hears. Appeals of disciplinary decisions made by the Vice President for Student Engagement and Programs must be made in writing to the Vice President for Student Engagement and Programs within five (5) days of the date of the decision.

Appeals of the decision of the Vice President for Student Engagement and Programs must be made in writing to the President within five (5) days of the date of the decision of the Vice President for Student Engagement and Programs. The President's decision shall be the final decision of Georgia State University. An appeal of the President's decision may be applied for with the Board of Regents of the University System of Georgia but must be made in writing to and received by the Executive Secretary of the Board of Regents of the University System of Georgia c/o the Associate Vice Chancellor for Legal Affairs within twenty (20) days of the date of the decision of the President. A review by the Board of
Regents of the University System of Georgia is not a matter of right, but it is within the sole discretion of the Board. The decision of the Board of Regents of the University System of Georgia shall be final and binding for all purposes.

These by-laws shall be reviewed every three (3) years unless otherwise called for review by a quorum of the committee or by request of the Vice President for Student Engagement and Programs.
